## ALTERNATE WATERING AND WATER DISTRIBUTION SYSTEM PROGRAM

**Definition:** The Lake of the Prairies Conservation District will assist Applicants in altering or creating watering and/or grazing systems on a cost-share basis.

### Program Objectives:

- To protect surface and groundwater resources from contamination
- To maximize available grazing land by providing water source where none had existed
- To protect riparian areas adjacent to surface water courses

### Eligibility:

- One application per joint title or family operation will be honoured
- Location of alternate watering system must be on lands within the Lake of the Prairies Conservation District
- The project must clearly display a conservation benefit (such as removing cattle from watering on creeks or rivers; sole dugouts are not eligible for reimbursement).

### TERMS AND CONDITIONS

#### Applicant Responsibility:

- Complete project by September 30<sup>th</sup> in the year of application. Circumstances preventing project completion by September 30<sup>th</sup> must be reported to the Lake of the Prairies Conservation District Board.
- LPCD may offer to extend funding until December 31<sup>st</sup>, based on landowner circumstances.
- Coordinate complete project with technical assistance from LPCD;
- Pay all costs associated with project and then submit paid receipts
- Submit completed application including copy of paid receipts. Receipts must indicate date, type and location of material purchased.
- Project material may not be sold or traded.
- Completed project must remain in place for 5 years;
- Allow for access to the alternate watering site by District Staff for the purpose of site visits, evaluation and promotion of the Alternate Watering Program.
- Indemnify and save harmless the CD from any and all actions, claims, suits, damages, injuries or other loss no matter how arising as a result of the construction, operation or maintenance of this project.

#### Conservation District Responsibility:

- Provide subsidization of 75% of the total eligible submitted paid receipts to a maximum of \$5,000.00.
- Request applicant's permission prior to divulging any project details or information to public or other agencies.

#### General Terms and Conditions

- Subject to the above terms, the Agreement shall become effective and shall be binding upon both parties until terminated;
- If either party fails to meet the above mentioned responsibilities, the Agreement may be terminated by the other party via written notice;
- Failure of Applicant to meet Applicant Responsibilities may negate his eligibility for other District programs.

#### Project Funding/ Cost-Sharing/ Incentives

The Lake of the Prairies Conservation District will pay 75% of the total eligible submitted paid receipts (rebates or grants from other agencies subtracted from eligible costs) to a maximum of \$5,000.00, limited to available funding and reserves the right to determine application priorities.
